### Vision

The vision of Ahmedabad Institute of Nursing Science is to prepare excellent health care providers and leaders to transform the lives of persons and communities through innovative education and health care.

### Mission

Ahmedabad Institute of nursing Science is a private institution of higher education dedicated exclusively to educating students for the diverse opportunities offered by careers in nursing and other health care fields.

## MESSAGE FROM PRINCIPAL

Education is one of the most powerful weapon in life . It allows us to find the meaning behind everything and helps to improve lives in an enormous way "

It is my proud to privilege to welcome you to this educational Institute as AINS - AHMEDABD INSTITUTE OF NURSING SCIENCE. The college offers Basic. B.Sc. Nursing programme. AINS college of nursing was established in the year 2007.AINS has nurtured more than 600 graduates.

Nursing is a unique profession which has a blend of cognitive, psychomotor and affective domain. Nursing education has a crucial role to play in meeting the health care needs across the globe.

College consists of group of dedicated and hardworking educationist, their endeavor in providing and establishing good professional education to the students. College offers excellent infrastructure and clinical exposure at various Government, Non govt. and corporate level multispeciality Hospitals. Along with this we provide chance to participate students into extra-curricular activities, seminars, workshops, research projects, educational visits, webinars and days celebrations for comprehensive development of students.

**Mrs. Hetal Patel**  
Principal, AINS

## MESSAGE FROM VICE PRINCIPAL

**Mrs. Trupti Brahmbhatt**  
Vice Principal, AINS

It is a matter of great pride that our College has made consistent progress, year on year, in academic and co-curricular activities. The College is a tribute to its standard of excellence in academics and commitment to quality education, the College is an alma mater which all alumni look back with fond memories, College stands high in its approach to education and in its pedagogies.

We, the faculty of nursing take up the responsibility in promoting nursing education based on scientific principles, relating to theory and practice, in order to produce skilled, highly competent and qualified nurses, to face the challenges. We promote all round development of the students with special emphasis on intellectual, cultural and spiritual aspects and extracurricular activities to prepare them as effective change agents in the dynamic society. I offer my best wishes for success in their career effort to usher in to the knowledge in meeting the challenges posed by the global economy.
