Vision

The vision of Ahmedabad Institute of Nursing Science is to prepare excellent health care providers and leaders to transform the lives of persons and communities through innovative education and health care.

Mission

Ahmedabad Institute of Nursing Science is a private institution of higher education dedicated exclusively to educating students for the diverse opportunities offered by careers in nursing and other health care fields.

It's my privilege to welcome you to this educational institute AINS- AHMEDABAD INSTITUTE OF NURSING SCIENCE. The college offers B.Sc. Nursing course Since 2007.

Education equips individuals with essential knowledge and skills for personal growth and success. Nursing education refers to professional educational process that influences the professional values and knowledge of nurses.

College have excellent infrastructure , competent teaching faculty and follow innovative methods of teaching to serves quality education. college offers best clinical exposure at various Govt. & private and corporate level multispecialty hospitals as well as community health centers . Along with this encourage all students to take advantage of the opportunities of co- curricular and extracurricular activities like seminar, webinar, workshops, research project , education visit, sports, days celebration etc. for overall development of the students.

I am confident that in the future we will continue this journey with provide a platform of holistic teaching learning for our faculty and the younger generation.

MESSAGE FROM PRINCIPAL

Mrs. Hetal Patel
Principal, AINS

MESSAGE FROM VICE PRINCIPAL

Mrs. Trupti Brahmbhatt
Vice Principal, AINS

“As a nurse we have the opportunity to heal the mind, soul, heart, and body of our patients. They may forget your name, but they will never forget how you made them feel.”

As Vice Principal, I take immense pride in supporting an institution that not only upholds academic excellence but also fosters a culture of empathy, resilience, and innovation. Our students are the heartbeat of our campus, and we are committed to guiding them with integrity, encouragement, and purpose.

Our students are not restricted in four walls of rooms, they demonstrate extra ordinary social accountability towards society through various community oriented programme. We pride ourselves to help them grow and develop into sensitive and responsible citizen of the future. Our Institute provide an environment to our students which is basically to mould the students with discipline and kindness to serve the society

Our faculty members serve not only as educators but as mentors, role models, and catalysts for transformation. Together with parents and guardians, we form a strong support system that empowers every student to thrive.

Let this academic year be one of growth, discovery, and meaningful connections. May you find inspiration in every challenge and strength in every step forward.
